Re: Plan Amendment Submittal Required by May 30, 2008, Geneva Rock Products, Inc., Pelican Point Quarry, M0490011, Utah County, Utah

Dear Mr. Clyde:

The Division received an email from Ms. Linda Matthews with JBR indicating that a plan amendment will be submitted to the Division by the end of May.

As mentioned in the Division's April 16 letter, the current surety amount held by the Division is \$497,400.00, however, the approved Notice of Intention to Conduct Mining Operations (NOI) surety calculation section indicates the bond amount of \$301,778.00. Because the surety held by the Division is more than the plan amount may not mean the company is 'overbonded' as Ms. Matthews indicated you believe.

It is assumed when the transfer occurred in early 2007; the plan was amended to include additional acreage that contributed to the increased bond requirement. The plan may have been updated without adjusting the surety detail.

The Division expects the amendment submittal by May 30, 2008.

If you have any questions or need clarification, please contact Ms. Beth Ericksen (801) 538-5318 (bethericksen@utah.gov) or myself at (801) 538-5258.

Sincerely,

Susan M. White
Mining Coordinator
Minerals Regulatory Program
